Preferred Citation: [Item Name], The Wizard of Oz Collection, Beulah Williams Library Archives and Special Collections, Northern State University, Aberdeen, SD

Biographical Note

This collection is from unknown origin, having been collected by various unidentified individuals.

Scope and Content

This collection contains photograph posters, publications, and art prints relating to L. Frank Baum's *The Wonderful Wizard of Oz*. There are 12 oversized photograph posters of images from Land of Oz in Beech Mountain, North Carolina. Land of Oz was a small theme park, open from 1970 to 1980, and is now only open for events. (Retrieved from <https://www.landofoznc.com/history>) This collection also contains publications such as magazines, educational materials, newspaper clippings, and books, as well as art prints of nursery rhymes.

L. Frank Baum resided in Aberdeen from September 1888 to April 1891, and it is believed his time in the Dakotas influenced his writings. (Baum's *Road to Oz: The Dakota Years* edited by Nancy Tystad Koupal) Many of the publications in this collection relate to the Aberdeen Oz Festivals, which took place in Storybook Land and celebrated Baum's Oz stories. Storybook Land is a theme park and tourist attraction in Aberdeen, South Dakota, which is centered around popular story book and nursery rhyme characters. Part of Storybook Land is the Land of Oz, which mimics L. Frank Baum's *Wizard of Oz* story and characters. The Land of Oz opened in 1992, and the first annual L. Frank Baum Oz Festival took place in 1997. In 2006, Oz Festival was renamed Storybook Land Festival. Storybook Land celebrated its 40th anniversary in 2016. (Storybook Land: *The History of an Aberdeen Icon* pamphlet, retrieved from <https://www.aberdeen.sd.us/DocumentCenter/View/6546/00190-Storybook-Land-History-Brochure-PRINT?bidId=>)
