Scope and Content

The formats in this collection are mainly reports. These reports are either annual/seasonal department reports, a department planning report, or a task force report. The task force report relates to the Media Board Task Force created after a freeze of funding for the student-run newspaper *The Exponent* in 1984. There are some additional documents related to the History department, such as fact sheets and the department's mission statement and goals. This collection is entirely in English.
